

## Best Chemistry Scientists in Greece

The 2nd edition of Research.com ranking of the best scholars in the arena of Chemistry relies on data combined from multiple data sources including OpenAlex and CrossRef. The bibliometric data for estimating the citation-based metrics were gathered on 21-12-2022. Position in the ranking is based on a scientist's D-index (Discipline H-index), which only includes papers and citation metrics for an examined discipline.
